Notice to Vendors

Spina Bifida Resource is pleased
to be the **Axis of Steel** Charity for 2009.

Dear Vendors,

We would like to welcome all the new vendors to **Axis of Steel 2009**. Spina Bifida Resource is pleased to be the Charity for the 2009 event.

Spina Bifida is the number onecripler of newborns.

*It affects the brain, spine and nerves, hips, legs, feet, kidneys, bladder, and growth. While early surgery is needed to save these babies' lives, the majority will always need braces, crutches and, ultimately, a wheelchair. With many more surgeries and ongoing treatments and therapies, many of these young people will be able to achieve independence and become contributing members of society. **Your support is needed to assist these kids in their challenges!***

We are excited to be part of Axis of Steel 2009. We will have a booth near at the stage area with information about spina bifida and its prevention, a few items for sale, and a preview of auction items for the day.

The Spina Bifida Auctions will be a highlight of the show. Each day we have a live auction that includes items donated by the show vendors.

We would appreciate your help. Please plan to donate an item(s) for the auctions. We will have volunteers available to accept your donation and provide a receipt for you or your company, starting on Friday.

What to donate?

Your company product or an item with your logo would be great for this crowd, but just about anything works at this type of event. You could even consider re-gifting unused items from home.

If you have questions, feel free to contact me now or at the show.

SBAofPA@aol.com office phone: 717-786-9280 phone during show: 717-808-2169

See you there!

Pat
